District of the District. The proposed
statement showing the particulars
of members of the proposed Bank

showing the position of village the
registered by the Bank also accompany.
2. There are 29 members on the
roll of the Bank. All of them appear
to be solvent and trustworthy in-
much as one of them owns property
worth about 800, 12 of them own

property ^{above} worth Rupees 500 and below
Rupees 600 and 16 of their own property
worth above Rupees 100 and below Rupees
400.

3. The members hold 436 acres and
31 guntas assessed at Rupees 1064-6-6

The following members
have not produced
the required bonds
for the amount shown
against each.

These have been ordered
to produce the bonds

the Bank a piece of
wet land (26 funtas
in extent) already
hypothecated to a
merchant.
He was ordered to
redeem the first
hypothecation at once.

that have been
hypothecated to the
Bank by the members
are in the name of
others. The Board

Office.

7. From the enclosed
statement ^(A) it will be

seen that 25 out of

29 men were presented

bonds for Rs 9905

and drew from the

treasury Rs 6,500

being the sanctioned

account and dis-

tributed the same

among them according

to the urgency of each

individual, seventeen

of these having re-

ceived only part

payments. When they

were

were questioned why
they had acted as
described above, they
replied they were
under the impression
that Rs 6500 was
the sum without
and that the remainder
of Rs 12000 be-
longed to the
Government. They
said later on. They
further informed
that when the proceeds
were distributed to
Government for
construction, 10% of the
proceeds had been
on their part of
to the extent of Rs 500.
If we add all the
- amounts

suggested advance
was utilized, for clear-
ing them, the other 19
members could not
take any loan for
liquidating their own
unremunerated debts
and for the improvement
of their lands and
that they had cleared
debts to the extent of
Rs. 3,130 out of Rs. 5,030
leaving Rs. 1,900 to be
adjusted after the
sanction of a further
advance.

10 When the Amildar
sent up his proposals,
he valued the properties
of the members at

Rs

Do 12000 and recommended
the grant of the
whole amount. He
was asked to explain
under what circumstances
he recommended
the grant of the
full estimated
value of the lands,
and he remarked
that the lands were
worth this amount
at any time.
Thinking this point
and the presence
of circumstances
that had to be
discharged into
consideration, I
recommended

Do

Rs 8000 been sanctioned
but the Deputy-
Commissioner re-
jected the same
at Rs 6,500. There is
a large tank at
Rampara. During
the inefficient
supply of water,
the crops were pre-
carious in the
past years. Now
that the Government
have spent Rs 25,000
in diverting the water
of the Jayamanjula
river to the tank
by excavating another
feeder channel, the
value

value of the wet
lands has considerably
gone up. Under these
circumstances it
is necessary to
increase the advance
by at least \$2500
so as to enable the
State to pay up
the pecuniary lia-
bilities in all place
into a fairer and
better footing.
The balance sheet
made up to 9th

submitted for in-
formation. It will

Letter No. 223—41, dated 26th December 1898, from the Inspector of Agricultural Banks in Mysore, submitting through the Deputy Commissioner, Tumkur district, a Memo on the inspection of the Agricultural Bank at Rampura, Koratagere sub-taluk, Tumkur district.

No. 5097-105—R. F. 110-97, DATED BANGALORE, 28TH JANUARY 1899.

ORDER THEREON.—Recorded with the following observations :—

Inspector's Remarks.

Observations.

2. * * *

The Bank office has recently been shifted from the registered locality to another place. This fact has at once to be reported to the Registrar of Joint Stock Companies in Mysore.

This ought to have been done without delay.

Cash Book.

5. Balances used to be struck every day and signed by the President alone. The Directors were asked to have the balance struck at the end of each month and to get the signatures of both the President and the Agent.

The omissions should at once be supplied.

Ledger.

6. This book was not posted. Instructions were given to the Agent as to its posting. He was directed to bring it up to date and report.

The Amildar should at the earliest opportunity satisfy himself that this has been done.

Receipt Book.

7. Receipts for payment of loans from the Bank are taken on slips of paper. The Bank authorities were directed to open a book and take signatures in it for all payments.

Ditto

Examination of documents.

8. The following members have not produced the discharged bonds for the amounts shown against each of them :—

<i>Name.</i>	<i>Amount.</i>	
	Rs.	a. p.
Nanni Sabi	...	100 0 0
Sinappa	...	300 0 0
Krishnabhatta	...	75 0 0
Ramaiya	...	200 0 0
Armagappa	...	100 0 0
Ramanappa	...	137 8 0

These have been ordered to produce the bonds and lodge the same in the Bank office at an early date.

Ditto

Shanbhog Hampannaiya has hypothecated to the Bank a piece of wet land (26 guntas in extent) already hypothecated to a merchant. He was ordered to redeem the first hypothecation at once.

Ditto

Some survey numbers that have been hypothecated to the Bank by the members are in the khate of others. The Board of Directors have been ordered to obtain the written consent of the khatedars where necessary and file the same in the Bank office.

Ditto

Financial, dated 28th January 1899.

9. * * * *

Taking the fact that the lands offered as security were worth Rs. 12,000 at any time, and the previous encumbrances that had to be discharged into consideration, I recommended Rs. 8,000 being sanctioned, but the Deputy Commissioner reduced the same to Rs. 6,500. There is a large tank at Ram-pura. Owing to the insufficient supply of water in it the crops were precarious in the past years. Now that the Government have spent Rs. 25,000 and diverted the water of the Jayanangala River into the tank by excavating another feeder channel, the value of the wet lands has considerably gone up. Under these circumstances, it is necessary to increase the advance by at least Rs. 2,500, so as to enable the Bank to pay up the remaining liabilities and place its affairs on a better footing.

The matter should be separately reported for the orders of the Government.

Secy. to Govt., Gen. & Rev. Depts.

To—The Inspector of Agricultural Banks in Mysore.
The Deputy Commissioner of Tumkur District.
The Deputy Commissioners of other Districts for information.
